There are lots of other fabulous creatures too: giants and dwarfs and animals that talk. It all begins when four children -- Peter, Susan, Edmund, and Lucy -- discover a strange old wardrobe. Stepping inside, they find that it's stranger still, because behind all the fur coats there is a wondrous land of trees and mountains, all glistening with snow. The White Witch has spread an icy winter everywhere. Only Aslan can defeat her and reverse her wicked spell. The children must find the lion before it is too late. If they fail, the Witch will make them her prisoners forever. In the fifty years since it was written, The Lion, the Witch And the Wardrobe has become one of the great classics of children's literature.
