The Oxford Illustrated History of the World encompasses the whole span of human history. It brings together some of the world's leading historians, under the expert guidance of Felipe Fernandez-Armesto, to tell the 200,000-year story of our world, from the emergence of homo sapiens through to the twenty-first century: the environmental convulsions; the interplay of ideas (good and bad); the cultural phases and exchanges; the collisions and collaborations in politics; the successions of ...
