RBG and the Politics of Loss - Political Wire

Taking stock of a century of pervasive loss-of warfare, disease, and political strife-this eloquent book opens a new view on both the past and the future by considering "what is lost" in terms of "what remains." Such a perspective, these essays suggest, engages and reanimates history. Plumbing the cultural and political implications of loss, the authors--political theorists, film and literary critics, museum curators, feminists, psychoanalysts, and AIDS activists--expose the humane and ...

Book Description: Feeling Backward weighs the costs of the contemporary move to the mainstream in lesbian and gay culture. While the widening tolerance for same-sex marriage and for gay-themed media brings clear benefits, gay assimilation entails other losses--losses that have been hard to identify or mourn, since many aspects of historical gay culture are so closely associated with the pain ...
