Right to Privacy: Constitutional Rights & Privacy Laws ...
Privacy is a fundamental human right. The right to privacy is articulated in all of the major international and regional human rights instruments. Over 130 countries have constitutional statements regarding the protection of privacy. Despite international human rights law, it's all too common that privacy is violated by states and companies.

The Right To Privacy And Why It Matters | EachOther
The right of privacy is a legal concept in both the law of torts and U.S. constitutional law. The tort concept is of 19th-century origin. Subject to limitations of public policy, it asserts a right of persons to recover damages or obtain injunctive relief for unjustifiable invasions of privacy prompted by motives of gain, curiosity, or malice.

The Right to Privacy Samuel D. Warren; Louis D. Brandeis Harvard Law Review, Vol. 4, No. 5, (Dec. 15, 1890), pp. 193-220. Stable URL: [http://links.jstor.org/sici?sici ...](http://links.jstor.org/sici?sici...)

The Right to Privacy Samuel D. Warren; Louis D. Brandeis ...
"The Right to have privacy" is a law review article written by Samuel Warren and Louis Brandeis, and published in the 1890 Harvard Law Review. It is "one of the most influential essays in the history of American law" and is widely regarded as the first publication in the United States to advocate a right to privacy, articulating that right primarily as a "right to be let alone".

The Right to Privacy (article) - Wikipedia
THE RIGHT TO PRIVACY[1]. "It could be done only on principles of private justice, moral fitness, and public convenience, which, when applied to a new subject, make common law without a precedent; much more when received and approved by usage." — Wiles, J., in Millar v. Taylor, 4 Burr.

Warren and Brandeis, "The Right to Privacy"
"Respect people's right to privacy" is the sixth point of the dignity challenge. As with dignity, privacy is open to interpretation and means different things to different people. To respect people's privacy, services must be personalised as much as possible. However, some more general rules around privacy might be:

Privacy - Respecting dignity - Resources - Dignity in Care
