A psychologist chronicles his own dysfunctional marriage to a woman he met on the job--a recent suicide survivor--detailing the downward spiral they both embarked on after their quick marriage. 25,000 first printing.

A beautiful wind nymph and a sexy police detective join forces in this sultry paranormal romance from the author of *The Siren's Touch*. Death has transformed former ballerina Anya Truss into a villain alluring wind nymph—but her need for

revenge has kept her trapped on the riverbank where she was drowned. Now, after fifty years of waiting, she finally has a chance to break free by getting even with her cruel dance instructor, the man who betrayed her and broke her heart. But for her plan to work, she must place her trust in a handsome but unlikely ally. Strait-laced police investigator Sergey Yuchenko has spent years searching for the father he never knew, and he finally has a solid lead. Problem is, that lead comes in the form of a ghost—a gorgeous but stubborn vila with destructive powers she can't control. Anya's graceful beauty awakens a desire in Sergey like he's never felt before. But when past secrets are brought to light, the lovers will have to face an evil that could tear them apart forever. "The tightly paced plot will hold the reader's attention, and the rapport that develops between the protagonists will reward it." Publishers

Weekly **Book Review** - From start to finish I found *The Sirens Dance* an enthralling tale...The author does a commendable job of making the characters flawed yet attractive to the reader. Combine that with a sexy romance and a woman who deserves to be avenged, and you've got an entertaining story you won't soon forget. **All About Romance**

In *To Dance with the Devil*, the latest entry in Cat Adams's *Blood Singer* series, Celia Graves's newest client is one of the last surviving members of a magical family that is trapped in a generations-old feud with other magic-workers. She's supposed to die at the next full moon unless Celia can broker peace between the clans or break the curse before it can take effect. For the first time in a long while, Celia's personal life is looking up. Her vampire abilities seem to be under control, her Siren abilities have gotten more

reliable, and even though her office was blown up, her services are more in demand than ever now that she's fought off terrorists and been part of the royal wedding of the year. Her friends all seem to be finding love and her grandmother has finally agreed to go to family therapy. The only trouble spot is Celia's love life. Not long ago, she had two boyfriends. Now she barely has one and she isn't sure she wants him. But Bruno DeLuca is a powerful mage and Celia needs his help...especially after she's attacked and her client is kidnapped. Borderline personality disorder (BPD) is characterized by unstable moods, negative self-image, dangerous impulsivity, and tumultuous relationships. Many people

Borderline A Case Study
with BPD excel in academics and careers while revealing erratic, self-destructive, and sometimes violent behavior only to those with whom they are intimate. Others have trouble simply holding down a job or staying in school. *Overcoming Borderline Personality Disorder* is a compassionate and informative guide to understanding this profoundly unsettling--and widely misunderstood--mental illness, believed to affect approximately 6% of the general population. Rather than viewing people with BPD as manipulative opponents in a bitter struggle, or pitying them as emotional invalids, Valerie Porr cites cutting-edge science to show that BPD is a true neurobiological disorder and not, as many come to believe, a character flaw or the result of bad parenting. Porr then clearly and accessibly explains what BPD is, which therapies have proven effective, and how to rise above the weighty stigma

Access Free The Sirens Dance My Marriage To A

Borderline A Case Study associated with the disorder. Offering families and loved ones supportive guidance that both acknowledges the difficulties they face and shows how they can be overcome, Porr teaches empirically-supported and effective coping behaviors and interpersonal skills, such as new ways of talking about emotions, how to be aware of nonverbal communication, and validating difficult experiences. These skills are derived from Dialectical Behavior Therapy and Mentalization-based Therapy, two evidence-based treatments that have proven highly successful in reducing family conflict while increasing trust. Overcoming Borderline Personality Disorder is an empowering and hopeful resource for those who wish to gain better understanding of the BPD experience--and to make use of these insights in day-to-day family interactions. Winner of the ABCT

Access Free The Sirens Dance My Marriage To A Self Help Book Seal of Merit Award 2011

Walker's disturbing memoir follows the relationship between the author (a psychiatrist) and his wife, Michelle, from its tumultuous beginning in 1985 to their ambivalent last good-bye three years later. The subtitle "a case study" attempts to maintain a professional distance from this devastating relationship, but it's all too clear that the illness from which Walker's wife suffered came close to dragging him down with her. Walker is first smitten by Michelle when, as a medical student, he encounters her on rounds, where she is presented as a recent suicide attempt. He can't understand how such a beautiful, sexy young woman would want to kill herself and returns to interview her for a school presentation. Despite warnings from his teacher, friends and father, he falls deeply in love and is drawn into her

Borderline A Case Study
world, only to emerge with great difficulty a year later. Walker, an outgoing, athletic, cheerful young man, relinquishes more and more of himself to Michelle and gradually becomes isolated, depressed, devious and even violent as he tries to cope with-and ultimately escape from-Michelle. Walker, who now treats teenage girls with borderline personality disorder, is not an expert writer. His dialogues often sound as if the speakers learned English as a second language. But this intimate narrative, showing how the best intentions of a na

From the #1 New York Times bestselling author-the first book in the reissued Three Sisters Island trilogy is a tale of friendship, fate, and the mysterious ways of the heart.

"Families and their children with BPD will find this book a very useful guide as they

struggle together toward a more fully realized life." Mary C. Zanarini, Ed.D., Director, Laboratory for the Study of Adult Development, McLean Hospital and Professor of Psychology, Harvard Medical School "A must-have book for every parent with a borderline child." Randi Kreger, Coauthor of Stop Walking on Eggshells: Taking Your Life Back When Someone You Care about Has Borderline Personality Disorder "Borderline Personality Disorder in Adolescents is a long overdue book that eloquently and expertly addresses the wide-ranging issues surrounding borderline personality disorder in adolescents. This compassionate book is a must for parents with children suffering from borderline personality disorder, as well as clinicians, educators, pediatricians, and clergy trying to understand and help adolescents with this serious, chronic disorder." Perry D.

Hoffman, Ph.D., President, National Education Alliance for Borderline Personality Disorder

Borderline Personality Disorder in Adolescents offers parents, caregivers, and adolescents themselves a complete understanding of this complex and tough-to-treat disorder. This comprehensive guide thoroughly explains what BPD is and what a patient's treatment options are, including the revolutionary new treatment called dialectic behavior therapy. Author Blaise A. Aguirre, M.D., one of the foremost experts in the field, describes recent advances in treatments and brings into focus what we do and don't know about this condition. Readers will learn the differences between BPD and other adolescent psychiatric diagnoses; treatment options (e.g., medication and therapy); how to choose the right therapist; how to determine when inpatient treatment

Borderline A Case Study
portrayal of one woman's fight against the emotional devastation of borderline personality disorder. This haunting, intimate memoir chronicles both the devastating period that led to Kiera's eventual diagnosis and her inspirational recovery through therapy, Buddhist spirituality, and a few online dates gone wrong. Kiera's story sheds light on the private struggle to transform suffering into compassion for herself and others, and is essential reading for all seeking to understand what it truly means to recover and reclaim the desire to live.
