African American males are in deep trouble. They lead the nation in homicides, both as victims and perpetrators (1) and in what observers regard as an alarming trend, they now have the fastest growing rate for suicide.

The Trouble with Black Boys - - by Pedro A. Noguera ...

With David Matthews. Having gotten a career in the mainstream media, journalist David Matthews found himself under attack from his friends, who accused him of selling out, "acting white" and playing "their" game. Incensed by this, Matthews looks at black men, claiming they are generally lazy, promiscuous and obsessed with street culture.

Why Black Men Face Greater Mental Health Challenges ...

Here are the four common problems faced by African Americans today: 1. Lack of family structure: According to a 2002 study, 70% of all African American children were illegitimate and that number rose from 23.6% back in 1963 because that was the year when welfare became a right according to the constitution, which made having husbands redundant.
