The West: Encounters and Transformations examines the  
changing nature of Western civilization — helping students to  
understand how the definition of the West has both evolved  
and been transformed throughout history. Focusing on the  
central theme of cultural encounters, authors Brian Levack,  
Edward Muir, and Meredith Veldman explain how the West  
originated and developed through a continuous process of  
inclusion and exclusion resulting from a series of encounters  
among and within different ...
