Our Town: A Play in Three Acts by Thornton Wilder (9780062280817)

Three of the greatest plays in American literature collected in one volume This important new omnibus edition features an illuminating foreword by playwright John Guare and an extensive afterword for each play drawing on unpublished letters and other unique documentary material prepared by Tappan Wilder. Our Town—Wilder's timeless 1938 Pulitzer Prize-winning look at love, death, and destiny is celebrated around the world and performed at least once each day in the United States. The Skin of our Teeth—Wilder's 1942 romp about human follies and human endurance starring the Antrobus family of Excelsior, New Jersey. Winner of the

Pulitzer Prize for Drama in 1943. The Matchmaker—Wilder's brilliant 1954 farce about money and love starring that irrepressible busybody Dolly Gallagher Levi. This play inspired the Broadway musical Hello, Dolly!.

A work of startling originality when it debuted in 1938, Thornton Wilder's *Our Town* evolved to be seen by some as a vintage slice of early 20th Century Americana, rather than being fully appreciated for its complex and eternal themes and its deceptively simple form. This unique and timely book shines a light on the play's continued impact in the 21st century and makes a case for the healing powers of Wilder's text to a world confronting multiple crises. Through extensive interviews with more than 100 artists about their own experience of the play and its impact on them professionally and personally – and including background on the play's early years and its pervasiveness in American culture – *Another Day's Begun* shows why this particular work remains so important, essential, and beloved. Every production of *Our Town* has a story to tell beyond Wilder's own. One year after the tragedy of 9/11, Paul Newman, in his final stage appearance, played the Stage Manager in *Our Town* on Broadway. Director David Cromer's 2008 Chicago interpretation would play in five more cities, ultimately becoming New York's longest-running *Our Town* ever. In 2013, incarcerated men at Sing Sing Correctional Facility brought Grover's Corners inside a maximum security prison. After the 2017 arena bombing in Manchester UK, the Royal Exchange Theatre chose *Our Town* as its offering to the stricken community. 80 years after it was written, more than 110 years after its actions take place, *Our Town* continues to assert itself as an essential play about how we must embrace

and appreciate the value of life itself. Another Day's Begun explains how this American classic has the power to inspire, heal and endure in the modern day, onstage and beyond.

Our Town was first produced and published in 1938 to wide acclaim. This Pulitzer Prize-winning drama of life in the town of Grover 's Corners, an allegorical representation of all life, has become a classic. It is Thornton Wilder's most renowned and most frequently performed play. It is now reissued in this handsome hardcover edition, featuring a new Foreword by Donald Margulies, who writes, "You are holding in your hands a great American play. Possibly the great American play." In addition, Tappan Wilder has written an eye-opening new Afterword, which includes Thornton Wilder's unpublished notes and other illuminating photographs and documentary material.

"Winner of the Pulitzer Prize, this is the groundbreaking satiric fantasy follows the extraordinary Antrobus family down through the ages from the time of 'The War' surviving flood, fire, pestilence, locusts, the ice age, the pox and the double feature, a dozen subsequent wars and as many depressions. Ultimately, they are the stuff of which heroes and buffoons are made. Their survival is a vividly theatrical testament of faith in humanity." --
