~~WTO regulation of Chinese business law in the direction~~...

China ' s WTO membership can help the country achieve economic reforms and greater prosperity. The advantages of World Trade Organization (WTO) membership have helped accelerate China ' s historic return to global economic prominence in the past 10 years. Since entering the WTO in 2001, China has benefited from WTO rules that lower tariff and nontariff barriers to trade for all WTO members and that prevent WTO members from engaging in trade discrimination against each other.

~~China's Continuing Need for the WTO—China Business Review~~

MAIN POINTS. World merchandise trade is set to plummet by between 13 and 32% in 2020 due to the COVID-19 pandemic.; A 2021 recovery in trade is expected, but dependent on the duration of the outbreak and the effectiveness of the policy responses.; Nearly all regions will suffer double-digit declines in trade volumes in 2020, with exports from North America and Asia hit hardest.

~~WTO | 2020 Press Releases—Trade set to plunge as COVID~~...

" In the midst of a US-China " trade war, " one frequent refrain has been that China does not comply with WTO rules, and therefore the WTO cannot deal with China's trade practices. Compliance with the full scope of WTO obligations is difficult to assess, but responses to WTO complaints and compliance with specific WTO panel and Appellate Body rulings can be judged through a careful and rigorous analysis.

~~China ' s Implementation of the Rulings of the World Trade~~...

Rather than seeking to rewrite the rules completely, WTO members should review existing rule books, including both the general WTO rules and China ' s accession commitments. There are a number of China-specific rules that have long been overlooked, such as China ' s commitments to ensure SOEs and state-invested enterprises (SIEs) " make purchases and sales based solely on commercial considerations " and that prices for traded goods and services in every sector should " be determined by ...

~~Are New Rules Needed for China at the WTO? | IPI Global~~...

China contends that WTO reforms should be aimed at curbing unilateral sanctions, long-arm jurisdiction, and abuse of national security exceptions to trade rules. And as allies and neighbors as close to the United States as Canada can attest, China is not alone in its umbrage at being subjected to US trade measures it sees as protectionism wrapped in national security pretenses.

~~Competing WTO Reform Agendas and ...—China Business Review~~

About The EU, the WTO and China. This book presents a new theoretical framework for understanding the regulation of international trade. For this purpose, it analyses a series of integrated studies of relations between the EU, the WTO and China. It consists of three main parts. Part I introduces the basic concepts.
